Sure, emailing them to fix the flight number makes sense.

What tickets does Peter want to print? You guys are welcome to print whatever you like.

Dear Shannon, Sush and Peter

Note that the flight number for our flight home is incorrect: It is the same as our arriving flight, but it should be different. Perhaps we can email them to update it? Also, I think Peter would like to print the tickets, if you are okay with that.

Love,
Mom/Trina

Aurora Hunting with Snowmobile

The winter temperatures can vary anywhere between 0°C and -40°C (on average it's -14°C). In the winter the most important thing is to dress up in layers:

- First of all you need good thermal long underwear, then another layer of something warm like wool or fleece
- On the top you will need good garment, which should preferably be water and wind proof
- The most important thing to remember is that you should be totally covered from head to toes
- You can also rent winter outdoor wear from the hotel
- Don't forget to bring your smile :)
